

Short Bio

Based in Tokyo, Doni Amoris is a mystic visionary artist, shaman, and author whose work channels ancient wisdom into modern wearable spiritual technology.

Creator of the illuminating Energy Scarves, Doni draws energy from global sacred sites and has been featured in galleries, TV, and international studies on art and healing. His energy scarves are beloved by spiritual luminaries like Deva Premal & Miten, Kyle Gray, Diana Cooper, and Tim Whild.

Inspired by his roots in natural medicine, meditation, and trained under the guidance of Alex Grey, Doni's work vibrantly bridges art, spirit, and heart-centered transformation.
